Students to Select Campus Royalty Tomorrow

Grizzly Mr. 1905 to Escort Queen at Football Game

"Mr. 1905" will honor the Homecoming Queen in celebration of the 40th anniversary of the College. The bearded gentleman will have the privilege of escorting the queen to the football game and of being the first dance with her at the annual Homecoming Ball.

Priorities on the campus have been the candidates for the contest from a list of three names submitted by each of their brother fraternities. Of the three names on the list, two were fraternity brothers and one was unaffiliated.

The Independent Club also has chosen a candidate. One of the four finalists will be chosen during the election of the Homecoming queen on Thursday morning 8 a. m. to 4 p. m. Candidates for the honor of being "Mr. 1905" are Ronald Maurice, sponsored by the Independent Club; Wayne Boydston, sponsored by Sigma Tau Gamma fraternity; and Alpha Sigma Alpha fraternity; Arthur Buckingham sponsored by Tau Kappa Epsilon fraternity; and Walter Arms, sponsored by Phi Sigma Epsilon fraternity and Sigma Sigma Sigma sorority.

Dance to Climax Festive Weekend

Bringing the gala 1955 Golden Anniversary Homecoming to a close will be the annual Homecoming dance to be held on Saturday night of this week in the main gymnasium at 9.

Playing for the dance will be the David Carroll Orchestra with Mercury recording star Jerry Mercer directing. The admission price is \$50 per person.

With the talents of Judy Cross, Carolyn Mix, Shirley Motsinger, and J. W. Stone, decorations are being prepared for the event. Lights will be placed in front of the gym.

Inside, the decorations will include a revolving mirror-covered ball from which light will be reflected. On each side of this three-foot-in-diameter ball will be another ball covered with gold glitter.

Gold and white "50's" and paper streamers will also hang along the north and south walls of the gym, and a backdrop featuring the College tower will serve as a background for picture taking.

Several of the gymnasium rooms will be prepared for use as lounges.

At intermission time, the winners of the Homecoming contests will be announced.

Parade Features 98 Contest Units

Plans for the Homecoming parade to be held on Saturday morning are nearly complete, according to parade director Dewaine Metcalf. The line-up is scheduled to begin at 9:30 a. m. with the parade itself getting under way promptly at 10:30.

At present the parade consists of 98 units including 48 high school bands, and 50 floats and jalopies, and innumerable clowns.

The College marching band will lead the parade which will proceed from the College entrance east on Fourth Street to Buchanan, then south to First and east to Main. From the corner of First and Main the route will be north on Main past the judges' stand on the courthouse square and thence to Franklin Park where the parade will disband.

Pictured above are the five young ladies who will be vying for Homecoming Queen honors in this Thursday's election. They are, left to right, Judy Beemer, Aileen Turner, Norma Hawkins, Jean Swanson, and Ann Allison.

Williams, Sanders Are Chosen M Cs For Variety Show

Francis "Bugs" Williams, sophomore from Excelsior Springs, and Robert "Bob" Sanders, freshman from Atchison, Kansas, have been selected as Masters of Ceremonies for the Homecoming Variety Show. The experience of presiding over such a show is not a new one to either of the men. Bob is a speech and drama major transfer student from Kansas University, and Francis was the interlocutor of the "Phi Sig Frolics" last spring.

Skits for the Variety Show featuring seven campus organizations have been submitted to Mr. Ralph Fulson and Elbert Blair, and this past week men behind the scenes have been working diligently to get their program entries for the final performances.

These unsung heroes, or the individuals in charge of the skits, are Margaret Robinson, Delta Sigma Epsilon; Pat Adams, Alpha Sigma Alpha; Barbara Julius and Maryam Croy, Sigma Sigma Sigma; Elbert Blair, Alpha Phi Omega; Jim Gromer, Tau Kappa Epsilon; Frank Russell, Sigma Tau Gamma; George Green, Phi Sigma Epsilon; and Aileen Turner and Naomi Shipley, Independent Club.

"Come as You Are—"

"Come as you are to the coffee hour at our home immediately following the Homecoming football game" is the invitation extended by President and Mrs. J. W. Jones. Homecoming royalty, the queen and her attendants, and some members of the faculty will assist the host and hostess.

The coffee hour, which was begun in 1947, provides an opportunity for Homecoming visitors to meet old friends and make new acquaintances.

R. E. Week Committee To Meet Next Tuesday

February 5 through 9 are the dates that have been set for this year's Religious Emphasis Week, according to Dr. J. Gordon Strong, faculty co-ordinator for the event. Students and faculty members who will compose the committee which plans the week's program will meet for the first time next Tuesday, November 1, at 4 p. m. in room 224.

Dr. Strong will preside over the meeting, with Ted Reed, president of the Student Christian Association, and Marilyn O'Connor, president of the Newman Club, assisting him.

Elected Queen and Attendants To Hold Court at Variety Show

Campus-wide campaigning is evident as the five candidates for Homecoming Queen enter into the final days of the 1955 contest. Only two days remain for the hopeful nominees and their campaign managers to sway the votes of the 1200-plus students on the campus.

Voting will take place tomorrow in the first floor hall of the administration building between the hours of 8 a. m. and 4 p. m.

At the Variety Show tomorrow night, the awaited crowning ceremony will take place, and the winner revealed to the student body. Saturday morning the Queen and her attendants will ride in the Homecoming parade.

Aileen Turner, a home economics major from Moravia, Iowa, is the candidate for the Independent Club. She is a member of the Independent Club and Wesleyan Foundation, and is director of the I. C. skit this year. Aileen, a junior, is a transfer student from Iowa State College at Ames. Harold Grout is her campaign manager.

Judy Beemer, a sophomore from Bedford, Iowa, is the Sigma Tau Gamma candidate. Mike Hulcheon is her campaign manager. Judy is majoring in physical education and elementary education. She is a member of Alpha Sigma Alpha sorority, PEM Club, Dance Club, and she is a cheerleader and a member of the Social Committee.

Ann Allison, candidate for the Tau Kappa Epsilon fraternity, is from Mound City. Her campaign manager is Art Buckingham. Ann, a junior, is majoring in business and minoring in English. She is vice-president of the Dorm Council, on the staff of the Northwest Missourian, a member of the Student Union Board, and was Tower queen last year.

Jean Swanson, Red Oak, Iowa, is candidate for the Phi Sigma Epsilon fraternity. Gordon Bates is her campaign manager. Jean, an elementary education major, is a junior this year and a transfer from Iowa State College at Ames. Jean is a member of the Sigma Sigma Sigma sorority, ACE, Social Committee, and is the junior class vice-president.

Norma Jean Hawkins, junior from Fairfax, is the Alpha Phi Omega candidate for Homecoming Queen. Norma is a member of the Delta Sigma Epsilon sorority. She is a vocational home economics major and a member of Colhecon, the home economics club. Her campaign manager is Bill Schultz.

Brendler Directs U. S. Navy Band

Commander Charles Brendler, U. S. N., is the conductor of the United States Navy Band which will appear here in the College auditorium on Monday, October 31, for two matinees and one evening performance. Only tickets for the evening performance are still available. Commander Brendler has been conductor of the band since 1941 during which time he has directed in cities throughout the United States and its territories.

College Sets Up Scholarship Fund For Golden Year

Alumni, students, and faculty have the opportunity this fall to help the College achieve one of its goals for the Golden Anniversary Year, the establishing of a Northwest Missouri Scholarship Fund.

The fund is to be used to provide merit scholarships for worthy students, especially those who have records indicating significant achievement but who have need of some financial aid.

These scholarships are to cover fees. They will be subject to renewal each semester after favorable committee review, which will consider record, conduct, and need of the student, provided funds are available.

Contributions and pledges which have been coming to the office of the Director of Field Service, who is the Executive Secretary of the Scholarship Committee, are helping the College to reach its first mark for the Scholarship Fund, a yearly sum of \$10,000.

Three Are Ill

Miss Mattie M. Dykes, of the English department, is in the Missouri Methodist Hospital, St. Joseph, where she underwent surgery Tuesday morning.

Mrs. Harry G. Dildine is in the St. Francis Hospital, Maryville, recovering from a recent operation.

Mrs. James Johnson underwent surgery Tuesday morning at the St. Francis Hospital, Maryville.

Professors of 1955 Support Golden Anniversary

Several of the College professors have been participating in the Golden Anniversary Beard growing contest. Above they appear, "lined up" in a formal pose for all to observe. Standing, left to right, are Messrs. Charles L. Johnson, James Johnson, John L. Smay, L. Lee Hoover, Donald H. Sandford, Leon F. Miller, Harold A. Mulford, Jr., and Glenn Hoffman. Seated are Messrs. George R. Gayler, Leonard Levy, Frank W. Grube, Charles E. Koerble, John L. Harr, and Sterling Surrey.

Students Have Responsibilities

Vote Tomorrow!

Every year when the national and state elections come up, you hear pleas made by political officials urging the public to go to the polls and vote.

These pleas quite often do not affect many of the College students as they are not old enough to vote.

Coming up this Thursday, however, is a chance for every student to get into practice going to the polls by voting for Homecoming Queen.

Selection of the Queen is very important as she will represent the College throughout the Homecoming events. Her picture will appear in many newspapers; she will be set up in the public's mind as the typical Northwest Missouri State student.

At many elections of this sort fewer than 50 per cent of the students vote. A Queen elected under such circumstances may not necessarily represent the majority of the students' wishes.

You can't be sure that your school will be represented by the person you want if you don't vote.

With five candidates vying for the top honors the race is wide open; so stop by the polls tomorrow and drop in your ballot. **MAKE THIS A RECORD ELECTION. VOTE.**

Conserve Water!

Because of a lack of rain this summer, the water supply of the City of Maryville has become greatly depleted—so depleted, in fact, that the Student Senate has decided to adopt measures encouraging College students to be more conservative with their use of water.

When you stop to think, you must admit that the students on the campus put a drain on the water supply.

Not only that, but students are traditionally known as great wasters of water. They can't be blamed entirely, for they seldom realize how much they use.

There are many ways in which the situation can be eased. Remember, next time you brush your teeth or comb your hair, to turn the water on only long enough to wet the brush or comb—don't let it run all the time. Don't take a shower every night unless it's absolutely necessary. Try to arrange your schedule so that a bath every other night will do, and when you do bathe, don't take a long steam bath.

These are only a few things students can do. Many other methods of conservation must be brought into use soon, or we may wake up some morning without any water in the pipes.

The Stroller . . .

Well, the Stroller is back again for another "buzz session" with juicy tidbits about a number of interesting individuals and situations on the campus this week.

Homecoming is, of course, taking the limelight this week. With the big event only a day or two away, things are really buzzing as all the campus organizations are working to complete their plans.

Speaking of Homecoming plans, the Stroller wonders if Dr. Sterling Surrey is planning to enter a "surrey with the fringe on top" in the parade. Understand that he has one in preparation down at Moore's Repair Shop.

Rumors are that something is coming between Bob Alcorn and his fiancée, Shirley Burnside—namely, President J. W. Jones, Dean Brandenburg, Dr. Leon Miller, and two guests who unknowingly entered the cafeteria line between the two a few nights ago.

Fraternity pledge manuals certainly seem to have a wide variety of uses these days. Marv Toft was seen trying to pick up a key with his manual. The key had managed to slip between the wall and the door casing near his room, and he just couldn't get hold of it. Need a crowbar, Marv?

Speech 51 classes under Mr. Ralph Fulsom have brought many interesting facts to light in recent demonstration speeches. One especially unusual speech was "How to water a philodendron in a glass brick lamp with a rubber water bottle" by Eldon Patterson.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Forty-Seven Bands To Be in Parade

Forty-seven bands from northwest Missouri and southern Iowa will compete for honors in the annual Homecoming parade contest, Saturday, October 29.

Formation of bands will start at 9:30 a. m.; the parade will begin at 10:30 a. m.

Qualified judges will select first and second place winners in four classes—Missouri Classes "A" and "B," and Iowa Classes "A" and "B." Classification is determined by the school's athletic program. The bands will be judged on precision of alignment in rank and file, suitability of cadence, solidity of playing while marching, and general effect.

This year the judges will be stationed at various places throughout the parade route, so that they may check on each band in the several phases of marching.

Immediately after the parade, the bands will return to the College campus where a lunch of hot dogs, apples, candy bars, and pop will be served on the Ad building lawn by members of the College faculty.

By 12:30 p. m. the bands will be assembled on the practice field between Horace Mann School and the gymnasium. They will then parade into the stadium at 1:00 p. m. through the north gate.

Several of the winning bands will be given three to five minute periods each to perform an act before the stadium crowd.

First and second place winners in each of the classes will receive trophies during half-time ceremonies.

The following Missouri high school bands have accepted the invitation to participate in the Homecoming events: Elmo, Hopkins, Burlington Junction, Rosendale, Tarkio, North Harrison at Eagleville, Pattonsburg, Westboro, Princeton, Graham R-3, Sheridan, Oregon, South Nodaway at Barnard, Stanberry, Parkville, Mound City, Maysville, Stewartsville, North Platte at Dearborn, Grant City, Fairfax, Forest City, Craig, King City, Clarksdale, Fillmore, Chansville, Quitman, Braymer, Maryville High, Maryville Jr. High, and Horace Mann.

Iowa high school bands which have accepted the invitation to participate in the parade are Prescott, New Market, Shenandoah, Coon, Lenox, Bradyville, College Springs, Snider, Gravity, Corning, Farragut, Blockton, and Bedford.

Council Determines Policies

The Interfraternity Council is organized for the purpose of promoting good will and cooperation on campus and also among other organizations. It acts as a board to settle any disputes which may arise and sets dates for pledging and rushing activities.

Membership of this organization consists of the three fraternity presidents, two additional members from each of these organizations, the Dean of Men, and two sponsors representing each fraternity.

This group held a meeting recently to discuss a possible change in pledging policies. At this meeting violations by fraternities during the recent rush period were discussed. No penalties were enforced, but it was agreed that more cooperation between fraternities in the future would eliminate such problems.

Plans are being made for each fraternity to have a representative attend the National Interfraternity Conference luncheon and banquet which will be held at the Jefferson Hotel, St. Louis, on December 2 and 3.

Alpha Phi Omega

Homecoming plans are under the direction of these chairmen: Variety Show skit, Elbert Blair; house decorations, Carl Hoffman. Elbert Blair is the fraternity's representative to the Homecoming Committee.

Two new chapters of A. P. O. have been organized on other campuses: one at Wisconsin State College, Stevens Point, Wisconsin, and another at Augusta College, Rock Island, Indiana.

Joe Collier was recently awarded a Past President Key of Alpha Phi Omega for outstanding service in the past.

Tommy Teke says

Conditions have reached the most efficient state of confusion in the triangle troop. Cast members chosen for the skit are Larry Cobb, Dan DeMott, Dick Hargrave, Bill Arloff, Bob Ganote, Bob Myers, Morrie Farnan, Jim Snapp, Charles Gorton, Bob Conley, Lowell Reeves, Lou Haning, Jim Tussey, Jack Fredrickson, Dick Bright, Jon Winemiller, Bruce Wake, Ken Jenkins and Harold Lynch.

On October 19, Jack Cole and Rick Quinn joined the fraternal bond of TKE.

Phyllis Hayes Bell and Dorothy Smith send congratulations to the College and regret that they cannot attend the FEM club coffee. Phyllis is teaching in West Des Moines, Iowa. Dorothy is recreation director at the YWCA, Akron, Ohio.

Bearcats Are Set for Homecoming Game

Improved Squad Is Ready For MIAA Go With Miners

The Bearcats will be hoping for another Homecoming victory when they will meet head-on with the Rolla Miners in Memorial Stadium, Saturday afternoon, October 29. Game time is set for 2:15.

Rolla has the edge in the series of games. The Miners have looked impressive this season, especially in their tussle with Cape Girardeau. Cape was lucky in winning, 9-6. The Miners have shown power this season, something which they are usually short on. Everyone was surely surprised with the showing the Miners made in the Cape game. Cape is currently leading the MIAA.

Last year in Rolla's Homecoming, the 'Cats lost a close one to the Miners, 19-13. The 1954 fourth quarter jinx and injuries cost the 'Cats a win. Rolla scored two touchdowns late in the fourth quarter.

Coach Ryland Milner's team made a name for themselves when they upset the defending MIAA champions, Kirksville, 6-2, two weeks ago in Kirksville.

According to Coach Milner the Bearcats have never lost a Homecoming game since he has been coaching here and he hopes this year it will be no different.

Campus opinion seems to favor Rolla slightly, but most agree the team which wins will be the one which plays heads-up ball the entire game, and this sounds like the 'Cats in every respect. No one should forget the record in Homecoming games that the 'Cats have piled up, although the Miners seem to be a jinx to the 'Cats.

This game Saturday will mean a lot to both teams and could be a deciding factor for second place in the conference.

Injured men have been few for Coach Milner this season. Bill Cain is still not playing much because of his bad leg. Cal Rowan was injured in the game with Kirksville, but is expected to see action against the Miners. Ed Messbarger, Ron O'Dell, and Bill Ruby are still hampered with injuries, but will see action Saturday.

Including the game of October 8, the 'Cats had some men who were the conference leaders. Darrell Walker, quarterback, was leading other MIAA punters with a 37.2 average. Vic Cromer, end, was leading in number of passes caught with 8 for a total of 78 yards. Walker was second in punt returns with 2 for an average of 21.5 yards. Mickey Mallen, halfback, is tenth in this department. Mallen is second in the leading rushers with 22 times for 151 yards for a 6.86 average per try. Walker is also among the leaders in this department with 19 times for 64 yards and an average of 3.37 yards per try. Walker is fourth in

leading passers with 39 passes and completing 13 for 33 1-3 per cent. Saturday afternoon will be the last time one will get to see the 'Cats in action in Memorial Stadium this season. As this is the most important game for the Bearcats, they will be fighting hard to keep their winning string in Homecoming battles. With the hustle and courage the big Green and White displayed in their first six contests another conference victory by the 'Cats would come as no surprise. Everyone should turn out and fill the new bleacher seats and get behind the Bearcats. Let's all go to the Homecoming game Saturday!

Warrensburg Mules Are Too Powerful; Bearcats Lose, 14-7

The Bearcats lost a hard battle to the Warrensburg Mules in a football game played in Memorial Stadium last Saturday night. The final score was 14-7 in favor of the Mules.

Warrensburg scored all their points in the wild second quarter. Stan Hensley and Harold Weintraub made the Mules' touchdowns. Weintraub completed a 60-yard pitchout and pass play in which Bob McFarland and Hensley had a hand.

In the third period Dick Powell passed forty-eight yards to Mickey Mallen for the Bearcats' tally. Larry Butler kicked the extra point. Powell relieved Darrell Walker early in the game. Walker was injured and saw only limited service the rest of the game.

Standouts for the game were Mallen who made run after run and looked impressive. Powell filled in for Walker and ran the quarterback slot. Dick completed passes, but they weren't enough for the victory. Al Hill, Dale Hague, Vic Cromer, Don Schenkel, Larry Rowley, John Schulze, Ed Messbarger, and the centers, Rowan and Haskey, played fine in the line.

The 'Cats couldn't gain much yardage on the ground as they collected only 44 yards, but they led in the passing department with 153 yards. The big line from Warrensburg played good ball and seldom were penetrated by the 'Cats backfield men.

Warrensburg now is sharing the league lead with the Cape Indians. Cape defeated Springfield Saturday. In the other games played in the MIAA, the Rolla Miners, who play the Bearcats Saturday, won over the Kirksville Bulldogs, 19-14.

Swimming Continues For Co-Recreation

Co-recreational swimming is one of the eighteen intramural sports being sponsored this year by the Intramural and Co-recreational Sports Department.

Students who are interested in

swimming may participate in co-recreational swimming activities on Tuesdays and Thursdays from 4 to 5:30 p. m., and on Saturdays from 2 to 4:30 p.m. The College pool, located in the basement of the gymnasium, will be open for use at these times.

Swimming activities will be offered this fall until November 15, and then again in the spring from March 15 until June 1.

This year the Homecoming game with Rolla will be one of the biggest ever played on the Rolla campus. Already options are in full swing in what hope may win a prize in the or. The Homecoming committee this year should be congratulated for the fine work in making the 50th Anniversary parade the It has been reported that it will be admitted to the Homecoming dance unless he is shaven. Also it has been reported that the barber shops will be closed for the Homecoming at 2:15 p. m. and will not be that day.

Some outstanding basketball players will return again this year to play for the "Bearcats." of these are Leo Bangs, Don McGee, Daryl Flint, Logan McGee, Lex Creamer, Weldon DeMike Hutcheon, Bob Smith, Dana Sharp. Here is the best luck to this year's basketball team.

One of the automobiles that will be featured in the Homecoming parade will be a 1900 Ford convertible which has been driving around lately.
